

# ABOUT US

100% Mexican Company

---

We are a company dedicated to the creation of traditional spirits that capture the essence of Mexico in every bottle. We produce Tequila and Mezcal with the finest agaves from the regions of Jalisco, Zacatecas and Oaxaca, respecting artisanal traditions and offering products of the highest quality.

Every sip of our products is a tribute to the land, the culture and the people who make these distillates possible.

## Mission

"Elaborate a premium tequila of exceptional quality, from the best agaves grown with respect for the environment and Mexican traditions. Our commitment is to offer an authentic, sustainable and responsible experience, bringing the richness of the culture and flavor of Mexico to every corner of the world, while generating a positive impact on our communities."

## Vision

"To be recognized as global leaders in the tequila industry, standing out for the excellence in the quality of our products and respect for Mexican traditions. We seek to expand our international presence, being a reference brand in sustainability, innovation and commitment to the community, bringing the true flavor of Mexico to the most demanding palates in the world."

## Values

# Tequila Blanco

.....

Tequila Blanco 100% Agave (80 PROOF)  
Taste - Pure, subtle and slightly sweet flavor, balanced acidity leaving a lingering fresh final.  
Appearance- Shiny and clean with silver sparkles and an abundant body.  
Smell - Presents aromas of cooked agave, speculation nuances, florals and gently smoked.

# Mezcal Espadin

.....

Mezcal Espadin 100% Agave (80 PROOF) Oaxaca, México  
It offers earthy flavors from the region, a sweetness obtained from the maturity of the agave, along with subtle smoked hints and minerals. Drop by drop it reminds us the greatness of our most significant Mexican traditions.

# Mezcal Pechuga

.....

Mezcal Pechuga 100% Agave (80 PROOF) Oaxaca, México  
Mezcal Espadín distilled with Turkey Breast and seasonal fruits, which provides an excellent balance. We can appreciate the complexity of its organoleptic properties throughout your nose and mouth senses. Ideal to savor straight and in cocktails, offering a double experience of flavors.
